We are a global, broad-based health care company devoted to discovering new medicines, new technologies and new ways to manage health. Our products span the continuum of care, from nutritional products and laboratory diagnostics through medical devices and pharmaceutical therapies. Our comprehensive line of products encircles life itself - addressing important health needs from infancy to the golden years. Abbott has sales, manufacturing, research and development, and distribution facilities around the world, close to where our customers need us to be. We are recognized for our global reach and our ability to serve our customers around the world. Turning Science into Caring Throughout our 120+ year history, Abbott people have been driven by a constant goal: to advance medical science to help people live healthier lives. It's part of our heritage. And, it continues to drive our work. Today, approximately 90,000 employees around the world share the passion for "Turning Science Into Caring." It's a commitment to focusing on what matters most: life and the potential it holds when we are feeling our best. Winning in the Workplace Abbott prides itself on being recognized as a good place to work because we strive to provide an environment that enables employees to succeed. We have received numerous local, national and international distinctions for our commitment to workplace excellence. Our programs range from award winning health care benefits to a variety of convenience and wellness services and long-term retirement benefits U.S Diversity & Inclusion We have a passion for diversity at Abbott - in our people, products, technologies and markets. A diverse workforce and inclusive work environment are fundamental components of our business strategy, because we know the different

perspectives and insights that our employees offer help us to better understand and connect with the people we serve. Additionally, different ideas, perspectives and experiences help drive innovation, which enables us to translate science into solutions for patients. That's why diversity is supported at the highest levels of the company by our chairman and CEO Miles White and Abbott's Executive Inclusion Council. Abbott is committed to developing the diverse talents of all employees. It makes good business sense.
